GIFT WRAP BOOTH VOLUNTEER

The UDS Gift Wrap Booth at The Park City Center is a long standing tradition and a large part of the UDS fundraising program. The booth is open from the end of November through late December and has helped us raise over a half million dollars in support since it's inception.

Volunteers have taken the lead with this fundraising opportunity for over 40 years. It takes approximately 500 volunteers to staff the booth throughout the holiday season.

Volunteers help by:

- Set-up/tear down of booth
- Daily cashiers
- Wrapping Gifts
- Promoting the booth at other events

All wrappers participate in gift wrap training to learn the UDS way of wrapping.

Join in the spirit of the holiday season and help UDS raise funds to continue our mission to help people with disabilities.
