UNITED DISABILITIES SERVICES

COMMUNITY RELATIONS VOLUNTEER

As a Community Relations volunteer, you play an important part of expanding the awareness of United Disabilities Services in the community. We need volunteers to act as a delegate on behalf of UDS with a variety of groups and organizations including:

- Sharing the message of UDS through handouts or presentations
- Explaining the UDS programs and services
- Recruiting potential customers, advocates and volunteers

This opportunity allows you to work with our outreach team at events such as:

- Health fairs
- Conferences
- Expos
- Civic organization presentations
- Individual meetings with community groups or industry representatives

If you enjoy building relationships in the community, we would love to partner with you to help spread the word about UDS.
