

HELP UDS AS A DEVELOPMENT VOLUNTEER

Development volunteers help UDS by assisting in organizing and running fundraising activities.

your way of living

UNITED DISABILITIES SERVICES

DEVELOPMENT VOLUNTEER

Development volunteers are instrumental in helping to raise funds which allow UDS to fulfill our mission to increase independence and enhance the lives of people with disabilities.

UDS Events

UDS hosts several events throughout the year that help raise necessary funding to keep many of our programs viable.

Third Party Fundraising Events

Volunteers also help us by coordinating and running fundraising events sponsored by other individuals and organizations in support of UDS. Examples of third party events include:

- Dream Ride Lancaster
- Wolfgang Candy Sales
- Bake Sales
- Community nights at local restaurants

Many volunteer opportunities are available both in preparation prior to an event and on the event day. These volunteer opportunities allow you to have fun with a team of people working to make these events memorable and financially successful.
